

Guitarhelper's Summer Rock Band Camp

Singers, bassists, drummers, keyboardists, others
Let's play some music and have a week of fun!

Play your favorite songs in a band.

Write your own songs.

From Metal to Rock to Pop.....

Program dates:

Aug 1st -6th

Full day: 10-4:30

Full day sessions would include two playing/rehearsal/group lessons sessions, other activities could include music(rock/pop) history, music appreciation(exposure to different styles), Recording on the computer, Analyze specific bands and styles, albums.

Half day: 10:00AM -1:00PM

or

1:30PM-4:30PM

at Anjel Blue Studios, Nyack

Performance on Saturday Aug. 6th, 1:00 pm At The Turning Point in Piermont.

Playing in a band helps making new friends, building confidence musically and personally, developing musical communication skills, improving music rhythm and having a fun time.

All students will learn how to communicate and interact with each other, listen in a band setting, develop time feel, song forms, rehearsal techniques, stage presence, operate equipment and team work.
